Discussions

- 1 Payment by PayPal has been successfully introduced. Many thanks to Dave Upchurch for his help with this.
- 2 Members were informed that the branch of Clydesdale Bank in Brora will close down in August so bank details may change.
- 3 The links between JBGS and the Association of Braid Courses are on the website and so far the JBGS has been successful in getting the Association rates for society visits to Braid courses.
- 4 Regrettably the Welsh Tour had to be cancelled due to lack of numbers. Was this just a timing issue?
- 5 Despite attempts to get the development of a new website underway, so far it has not been possible. We will keep trying.
- 6 Plans to celebrate Braid's 150th anniversary were discussed. The idea of inviting F & R to an away day at either Brora or Golspie (for next year only) was proposed and supported by members. As was the suggestion to have some merchandise – glassware and balls produced to mark this special occasion.
- 7 The Captain updated members on the Appointment of a new President.
