

Forum Meeting 26th June 2026

1 Update on New Website

Members' Directory

Members were again requested to update their details with a photo and to ensure the field for their handicap was kept up to date. Members requested that the field be changed to enable exact handicaps to be added. This will be investigated – although it is not really necessary.

Current events

The request to look into putting events into a basket has been actioned. All the events on each tour can now be put into a single basket. We will follow up how to enable tickets for reserves to be available – as these are always needed.

Forum

It is still disappointing to see the lack of use despite instructions about setting an alert being sent out to all members.

2 Membership

Needs invigorating and this is an ongoing challenge for all of us.

3 Attendance

There is a core of members who attend the regional meetings – it would be good to increase this. And don't forget some of the events are JBGS Society days.

4 Merchandise

When asked members requested to wait for an opportunity to buy JBGS crested merchandise in the run up to Christmas.

5 AOB

- Len Bunton requested that JBGS members over 80 are able to take a drop out of the bunkers at Brora with a 1 shot penalty. A vote was taken and this was agreed.
- Max Redman volunteered to organise a JBGS Tour to South Africa – probably to Knysna and possibly in November 2027. Members are interested in this so he will come up with some suggestions/details.
- It was suggested that members get together to make use of making visits to other members' home clubs when they are in the area.
- Steve Darlington kindly offered to organise alternative golf if necessary for the Royal Dornoch fixture.
- And the final request was for a relaxed dress code in hot weather, but it was pointed out that the host clubs are responsible for deciding this.
